Our School caters for children and young people aged 3-19 with Special Educational Needs, predominantly Severe Learning Disabilities and Autism.

We are seeking highly committed, kind and patient volunteers, who truly put the children at the heart of everything that they do. Ideally, we would prefer volunteers who have previously worked with children and young people in the past, particularly those with SEND.

Our school vision is aspirational for all of our learners, and the provision that we provide for them, is tailored to their needs, strengths and interests, whilst providing them with a broad and balanced curriculum and education, that is meaningful and relevant.

If our school vision resonates with you and your own values, volunteering at Coppice School, may be an extremely fulfilling opportunity.

We are advertising for Volunteer Job Coaches to work with our Post 16 students. We would require you to commit to block work to support our young people on their work placements (for example. 6 weeks for one morning per week). Please contact Chris Medwell for more information.

We are a transparent, honest and reflective place of work with caring and skilled colleagues, and amazing children and families. You will be fully supported to develop your own practice and skills.

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. This post involves working with children and therefore if successful you will be required to apply for a Disclosure and Barring Service records check at an enhanced level. Further information about the Disclosure Scheme can be found at www.gov.uk/disclosure-barring-service-check.
