LEARNING ABOUT SPEECH AND SOUND PRODUCTION

# Get your body moving

Jump jump jump  
Stamp your feet  
Lift your arms  
And drop them please  
Pat your knees  
Crouch down low  
5, 4, 3, 2, 1 and GO!

Who's here today?

Who's here today?

Who's here today?

Who's here in our circle?

Who's here today?

Who's here today?

Who's here in our circle?

# Keeping in time

I think music's neat

I can keep a steady beat.

# I Wiggle My Fingers

I wiggle my fingers,  
I wiggle my toes.  
I wiggle my arms,  
I wiggle my nose.  
I think that the wiggles  
Are all out of me  
Now I can sit down  
And hear a story.

# Magic Finger

Wave your magic finger in the air  
Now let's land it just right there  
Can you draw some dots? Tiny little spots.  
Now let's rub it out and start over again.

Can you draw a line, just like mine?  
Draw a wavy squiggle, a line that has a wiggle.  
Can you draw a face in this space?  
Can you draw a kiss just like this? Now let's pick it up and blow it away.
